Now Hiring: Cafeteria Supervisor

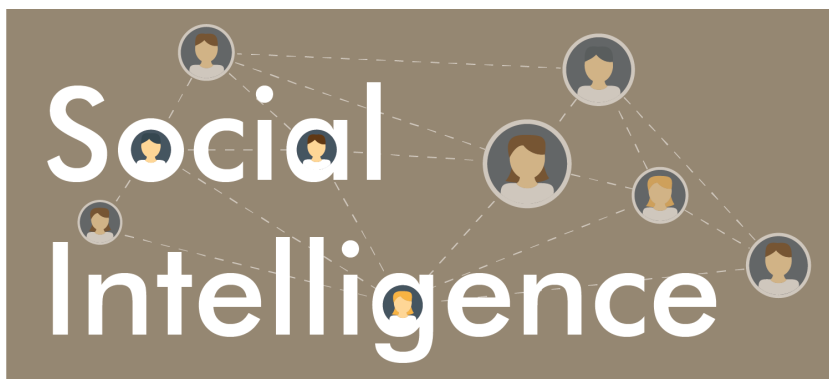

Are you looking for some part-time work? We're currently seeking part-time help in our cafeteria. The cafeteria supervisor is responsible for providing supervision to our students during lunch and maintaining a safe environment in the lunchroom. The hours are Monday through Friday from 10:30 a.m. to 1:30 p.m. and the pay is \$10 per hour. If you or someone you know is interested, resumes may be submitted to:

careers@athlosutah.org.

Character Trait: Social Intelligence

Athlos defines social intelligence as:

Navigating relationships and interactions with respect and confidence.

Build a community for your child. Encourage friendships and healthy relationships with neighbors, teachers, and community members. Foster relationships with both older and younger members of your family. As your child's community becomes more diverse, their view of the world expands and opens doors to greater learning opportunities.

Find opportunities for your children to witness you serving others. Social intelligence is best learned from those who practice it, and parents are the greatest example for their children to learn from. This can be done through volunteering at a soup kitchen or nursing home, serving a neighbor in need, and showing respect to strangers, friends and family members. Through these and other actions, your student will learn to care for and respect other people by following your example.

SWEETHEARTS DANCE

Our 2nd Annual "Sweethearts Dance" was a great success. A good time was had by all who attended and some of our students even went all out in getting dressed up for the big event! A big thank you to our wonderful PTO for putting on this event and helping to make it amazing and fun for everyone!

MIDDLE SCHOOL

A note from Mr. Pechmann:

In 7th grade math, we are studying probability, and the relationship between the probability and real life results.

In 7th grade science, we just finished our unit on cells and are moving on to study tissues, organs and organ systems.

In 8th grade science, we are exploring the difference between analog and digital signals.

STAFF SPOTLIGHT: MRS. FLOWERS

Dovetta Flowers is the office manager here at Athlos Utah. She has more than 16 years of education experience and definitely knows what's going on! She was born and spent her early childhood in Florida. Later, her family moved to the Philadelphia area where she attended high school. She was a star field hockey player in high school, and Philadelphia is also where she met her husband. They have been married for many years and are the proud parents of four awesome boys! She is a fantastic grandma to four beautiful grandchildren who love to spend time with her and think she is the best! In her spare time, she loves to sew and quilt, cook amazing food and spoil everybody she knows!
