- Snacks (gold fish, pretzels, fruit snacks)

Science Project Supplies

We do several hands on experiments throughout the year. We need supplies but not necessarily from every student. If you can supply just a few of these items it would go a long way.

- | | | | |
|---|-----------------------------------|--|-----------------------|
| • Aluminum foil (individual sheets are preferred but rolls are welcome) | • Small binder clips | • 3 oz Dixie cups | • Tooth picks |
| • Dot Stickers | • Paper clips (small and large) | • Plastic condiment containers with lids (like the kind you get things in to go) | • Clothespins |
| • 8 oz paper cups | • Plastic plates | • Plastic Spoons | • Paper lunch bags |
| • Solo cups | • Rubber bands | • Salt (like a big container of table salt, not rock or kosher) | • 6 oz Styrofoam cups |
| • Paper plates | • Plastic disposable table covers | • Cotton balls | • Index cards |
| • Pipe cleaners | • An empty spray bottle | | |
| • Bamboo skewers | • Cornmeal | | |
