# HOW DRIVELINE WORKS:

Driveline is an app that helps keep students safe at dismissal. It allows for students to be released from class at the end of the day in a very organized manner.

## HERE'S HOW IT WORKS:

1. Students will gather their materials at the end of the day and return to their seats.
2. Teachers will display the Driveline screen on the board at the front of the classroom.
3. As cars pull in the pick up line, a number will be entered into the app.
4. Once a number has been entered into the app, the associated student's (or students') name will pop up in the classroom.

- This is the teacher's cue to release that student from class.

\*Teachers will be stationed around the school to assist students in safely loading cars

## PROBLEM-SOLVING & ANSWERING YOUR QUESTIONS

Throughout the school year it is common to have questions regarding your child or something related to the school. Occasionally a problem arises. Who do you go to?

The best source of the information is the person closest to the situation: start with that individual.

For classroom questions:

Contact your child's teacher via phone or email. Remember that they are focused on instruction during the school day and will answer emails/phone after they are done teaching. For a directory, go here:

For school questions:

Contact the front office at (801)438-4619. Still can't get answers or need help resolving an issue? Contact the Assistant Principals, Shylah Poirier, Grades, K-4 or Kris Hatch, Grades 5-9.

If these methods fail to resolve an issue, parents have the right to follow the Communications and Grievance Policy Policies & Handbooks - Athlos Academy of Utah ([athlosutah.org](https://www.athlosutah.org))

## **WELCOME ARELI OLSEN FAMILY ENGAGEMENT COORDINATOR**

Meet our new Family Engagement Coordinator! Mrs. Olsen's job is to welcome new families to Athlos and to help current families build a stronger connection to the school through newsletters, events and more.

"My name is Areli Olsen, I am the new Family Engagement Coordinator. I have three children; Olivia (9 grade South Jordan Middle), John Lucas (5 grade, Athlos), Milana (1 grade Athlos). My life is centered around family.

Football, baseball, wrestling, Mexican folkloric dancing, and Bingham High marching band pretty much describe my life. I love music, reading and sports and my favorite teams are the Utah Jazz, Denver Broncos, New York Yankees and any University of Utah teams. We've been at Athlos since it opened and love it! I believe in the mission of Athlos and that is why my two youngest children attend here. I am so excited to part of the Athlos team!"
