

School Land Trust Plan

Goal One

Athlos will improve its 2022/23 school year performance on Acadience EOY Reading and Math scores by 10% in grades Kindergarten to 3rd grade and on RISE/Aspire scores in science by 10% in grades 7, 8, 9 in comparison to 2021/22 school year EOY data.

Action Plan

Athlos will employ an all-day kindergarten teacher and partially fund a paraprofessional position in grades K to 3.

Athlos will purchase new computers for the school Coding program as well as a Vex Robotics Kit to begin a VEX Robotics Team in grades 7, 8, 9. Vex is a comprehensive robotics program that extends students abilities in Math, Science, Language Arts, Public Speaking, and real world problem solving.

Athlos will fund a Robotics Coaching stipend for the new program.

All Day Kindergarten and primary grade paraprofessionals will provide daily intervention in reading and math a minimum of 4 days a week in accordance with MTSS principles.

Vex Robotics and new computers \$15,000

Staff and Salaries \$46,000
