

## **Goal--2022**

Athlos will improve its 2022/23 school year performance on Acadience EOY Reading and Math scores by 10% in grades Kindergarten to 3rd grade and on RISE/Aspire scores by 10% in grades 4 to 9 in comparison to 2021/22 school year EOY data.

### **Actions:**

- Athlos will employ a reading specialist to oversee targeted interventions for all identified students.
- Athlos will employ a math specialist to oversee and provide targeted intervention to identified students.
- Athlos will employ multiple paraprofessionals to provide targeted intervention for all identified students.
- Athlos will provide daily intervention to all tier 2, and tier3 students in both reading and math on a daily basis.
- Athlos will progress monitor all tier 3 students every 1 to 2 weeks.
- Athlos will progress monitor all tier 2 students every 2 to 4 weeks.
- Athlos will progress monitor all tier 1 students every 6 to 8 weeks.
- Athlos will provide tier 1 support to teachers in their classrooms by providing a complete literacy program that aligns to LETRS and state standards.
- Athlos will make all-day kindergarten available to all students that are interested.
- Athlos will employ a complete team of ELL para professionals to provide intervention to all ELL students.

### **Budget:**

- Funds will be used to help pay a portion of the Reading Specialist Salary
- Funds will be used to help pay a portion of the Math Specialist Salary
- Funds will be used to pay for a portion of the para professional salaries in reading and ELL
- Fund will be used to pay a portion of kindergarten teacher salaries
- Any additional fund will be used to expand electives and interventions in grades 7 to 9.
